WORK EXPERIENCE

Android Developer April 2021 – Present
Trenser Technology Solutions (P) Ltd

- At Trenser Technology Solutions, I held the position of an Android Developer and made significant contributions to the implementation of various **Fujifilm Instax** projects.
- **Projects:** Instax Mini Link, Instax Square Link, Fontgenic, Instax Biz, "INSTAX mini-Link for Nintendo Switch" and "Ponta."
- Collaborated with the Backend team to request required APIs in the application.
- Enhanced user convenience by implementing secure payment gateways (Google Play Billing Library) and transaction functionalities.
- Played a critical role in the conceptualization, documentation, development, and enhancement of the Ponta app. Providing users with a seamless and secure shopping experience and rewards for their purchases.
- Integrated Google Analytics, Firebase, and ML Kit analysis into various applications.
- An image editing feature has been implemented in the Instax Square Link app.
